

Sorry pdf was removed because the creator of the 2010 version I had hosted requested to have it removed

“This is to inform you that I have never given my consent for any version of my Antenna Chart to be used by you on your blog for reader download. I make the Antenna Chart available only to registered members of my site, only for their personal use, and not for republication or download by others. You must immediately delete the links on your blog to your own copy of the Antenna Chart and replace them with proper links to the sites copy of the Antenna Chart.

Thank you for taking immediate action on this.
